

# WhatsApp Business Platform (Embedded Signup) - 2024

# WhatsApp Embedded Signup

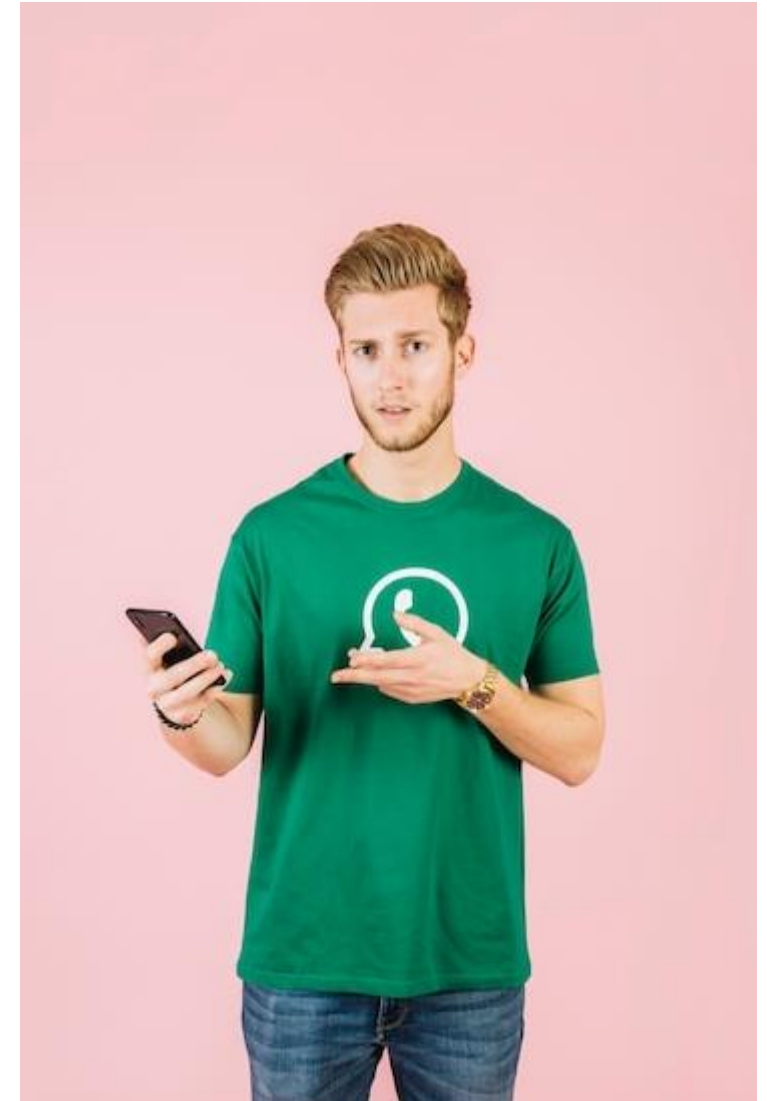

Embedded Signup is a way for Solution Partner to let businesses onboard to the WhatsApp Business Platform directly from their website. It can be used to onboard customers to the WhatsApp Business Platform Cloud API.

Watch our [How to Use Embedded Signup to Onboard Clients to the WhatsApp Business API](#) video:-

<https://www.youtube.com/watch?v=Us90Q8aV0TU>

**Embedded signup** helps businesses connect to WhatsApp directly from your website

# How to onboard your clients

## Step 1:-

Log in to your Telosa account. Go to “My Profile” and click on “WhatsApp Business”  
Click on Sign Up.

## Step 3:-

Click on “Continue as your account”

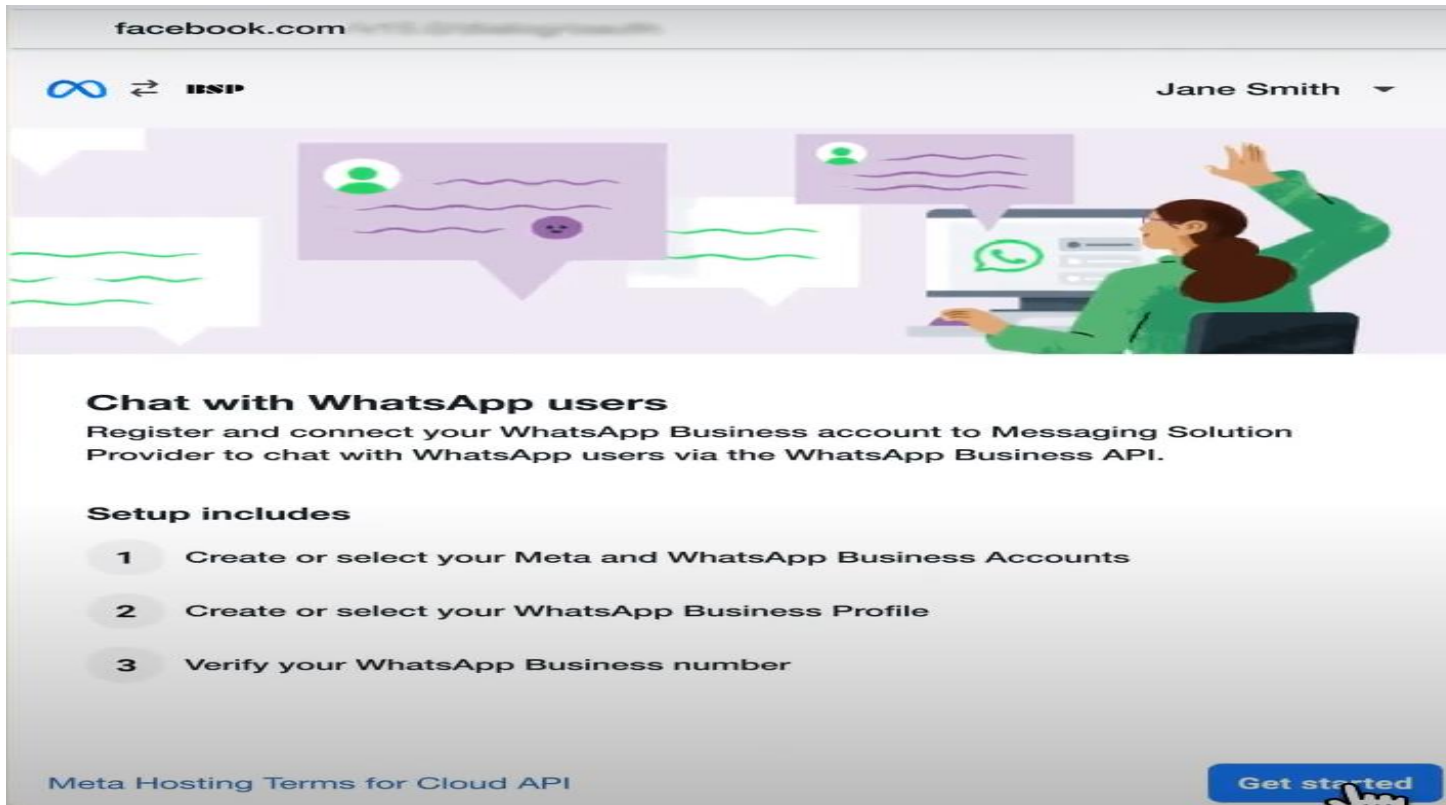

# How to onboard your clients

## Step 4:-

New page will open “Chat with WhatsApp Users”, click on “Get started”.

# How to onboard your clients

## Step 5:-

New page will open “Connect your account to messaging solution provider”. Click on “Continue”

**Connect your account to Messaging Solution Provider**

To allow Messaging Solution Provider to manage your WhatsApp Business Account, you'll need to share account and billing permissions.

**Permissions you'll share with Messaging Solution Provider**

-  **WhatsApp Business Account access**  
Messaging Solution Provider will be able to add phone numbers, create message templates, send messages to your customers, assign users to your account and access your metrics.
-  **Meta Business Account access**  
Messaging Solution Provider will have permission to access your business assets on Facebook.
-  **Billing management**  
When you link your account to Messaging Solution Provider, they will attach their credit line and bill you directly.

By continuing, you agree to the [WhatsApp Business Terms of Service](#) and the [Meta Terms of Service](#).

# How to onboard your clients

## Step 6:-

Select Facebook account and click on “Next”.

The screenshot shows the Facebook Business onboarding interface. At the top, the browser address bar displays 'facebook.com'. Below it, the navigation bar includes the Meta logo, a 'BSP' label, and the user's name 'Jane Smith' with a dropdown arrow. A vertical sidebar on the left contains five circular progress indicators, with the first one highlighted in blue. The main content area is titled 'Fill in your business information' and includes the instruction: 'Complete your business information to add your phone number. Your audience will not see this information on your WhatsApp profile.' Under the heading 'Meta Business account', there is a text input field labeled 'Choose a Business Account' with a cursor icon at the end. Below this field is a list of three options, each with a radio button: 1. '+ Create a Meta Business Account' 2. 'Jasper's Market' with ID: 1342576567587675875 3. 'Meta Business Account B' with ID: 1342576567587675877 At the bottom of the screen, there is a link for 'Meta Hosting Terms for Cloud API', a 'Back' button, and a blue 'Next' button.

# How to onboard your clients

## Step 7:-

Select your WhatsApp business account and click on “Next”.

The screenshot shows a mobile app interface for selecting a WhatsApp Business account. On the left, a vertical progress bar has five circles; the second circle is highlighted with a blue ring and a green checkmark above it. The main content area has the title "Create or select your WhatsApp Business Account" and a subtitle "This WhatsApp Business Account will belong to your Meta Business Account". Below this is a section titled "Choose a WhatsApp Business account" containing a search bar with the placeholder text "Create or select a WhatsApp Business account". A hand cursor icon is positioned over the search bar. Below the search bar are three options, each with a radio button and a WhatsApp icon: "Create a new WhatsApp Business account", "Jasper's Market" (ID: 1342576567587675875), and "Meta Business Account B" (ID: 1342576567587675877). At the bottom, there is a "Meta Hosting Terms for Cloud API" link, a "Back" button, and a blue "Next" button.

# Create new WhatsApp Business account

## Step 1:-

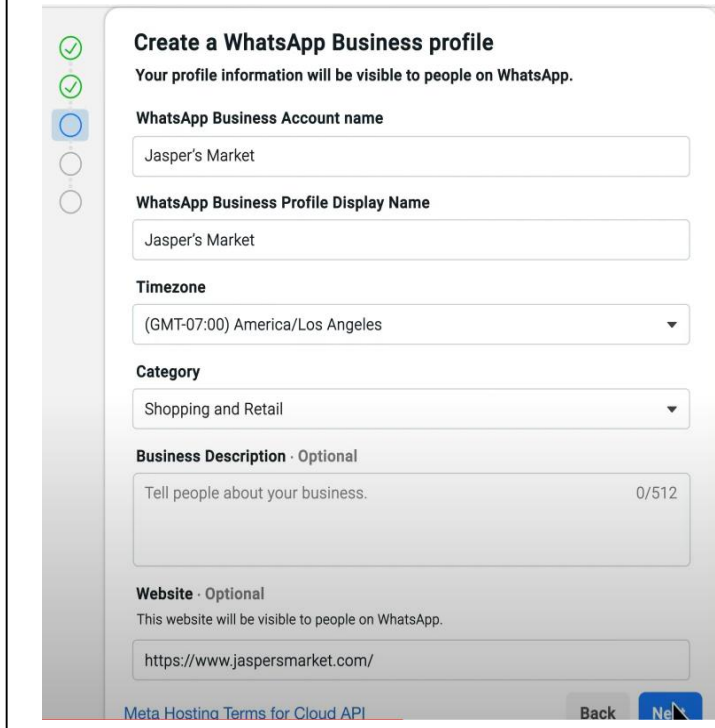

Click on “Create a new WhatsApp Business Account” and then click “Next”.

The screenshot shows the first step of the WhatsApp Business account creation process. The title is "Create or select your WhatsApp Business Account" with a subtext "This WhatsApp Business Account will belong to your Meta Business Account". There is a progress indicator on the left with four steps, the first of which is completed. The main content area has a section "Choose a WhatsApp Business account" with a dropdown menu showing "Jasper's Market". Below this is a section "WhatsApp Business profile" with a button "Create a new WhatsApp Business profile" and a list of existing profiles, including "Jasper's Market" with a phone number "+1 (555) 555-1234". At the bottom, there are "Back" and "Next" buttons.

## Step 2:-

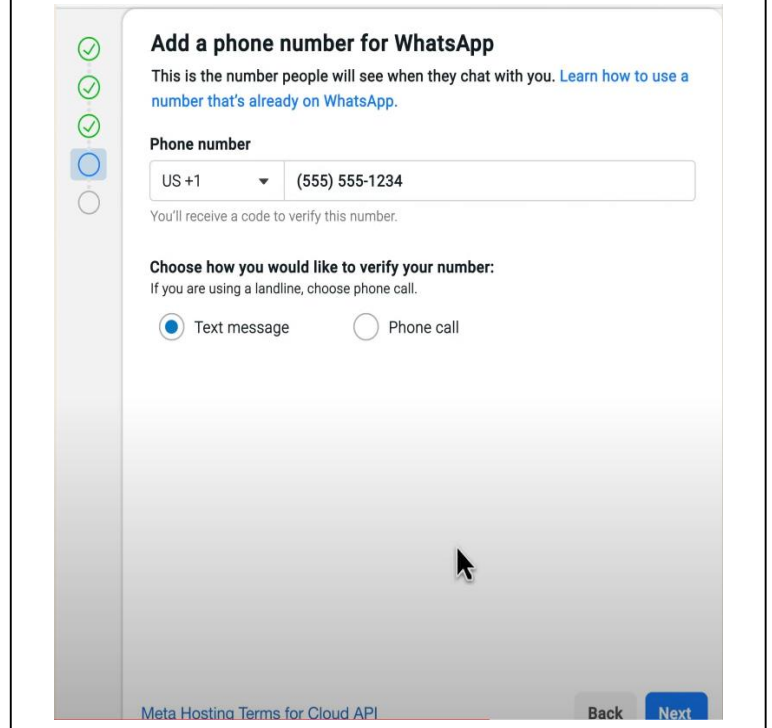

After clicking on “Create a new WhatsApp Business account”, fill all the business details and click on “Next”.

The screenshot shows the second step of the WhatsApp Business account creation process. The title is "Create a WhatsApp Business profile" with a subtext "Your profile information will be visible to people on WhatsApp." There is a progress indicator on the left with four steps, the second of which is completed. The main content area has several input fields: "WhatsApp Business Account name" (Jasper's Market), "WhatsApp Business Profile Display Name" (Jasper's Market), "Timezone" (GMT-07:00 America/Los Angeles), "Category" (Shopping and Retail), "Business Description - Optional" (Tell people about your business. 0/512), and "Website - Optional" (https://www.jaspersmarket.com/). At the bottom, there are "Back" and "Next" buttons.

## Step 3:-

Verify your business phone number and choose the option for “How you would like to verify”. Click on “Next”

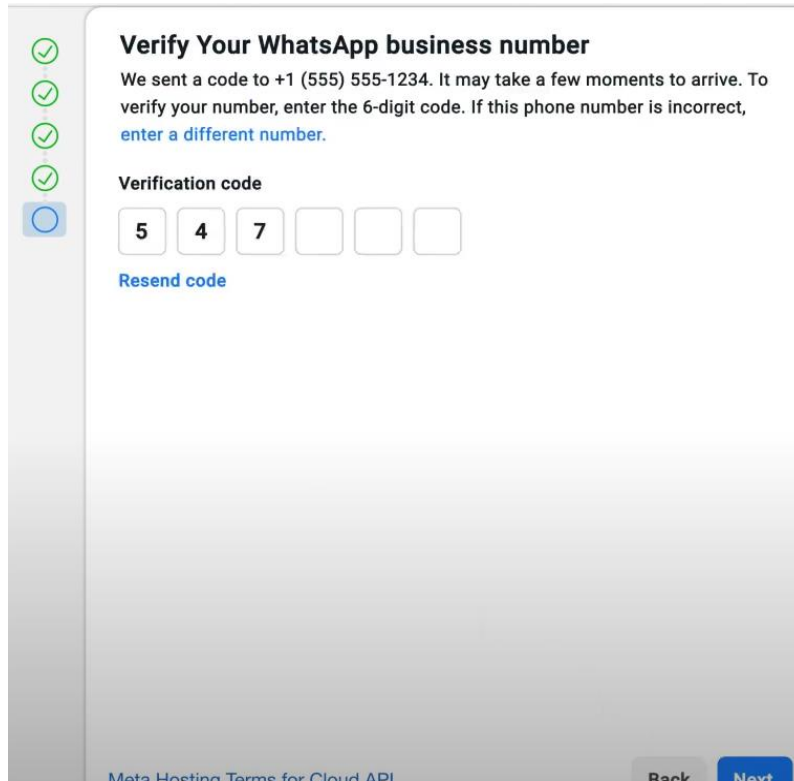

The screenshot shows the third step of the WhatsApp Business account creation process. The title is "Add a phone number for WhatsApp" with a subtext "This is the number people will see when they chat with you. [Learn how to use a number that's already on WhatsApp.](#)". There is a progress indicator on the left with four steps, the third of which is completed. The main content area has a "Phone number" section with a dropdown for "US +1" and a text input for "(555) 555-1234". Below this is a section "Choose how you would like to verify your number:" with two radio buttons: "Text message" (selected) and "Phone call". At the bottom, there are "Back" and "Next" buttons.

# Create new WhatsApp Business account

## Step 4:-

Verify your WhatsApp business number

**Verify Your WhatsApp business number**

We sent a code to +1 (555) 555-1234. It may take a few moments to arrive. To verify your number, enter the 6-digit code. If this phone number is incorrect, [enter a different number](#).

Verification code

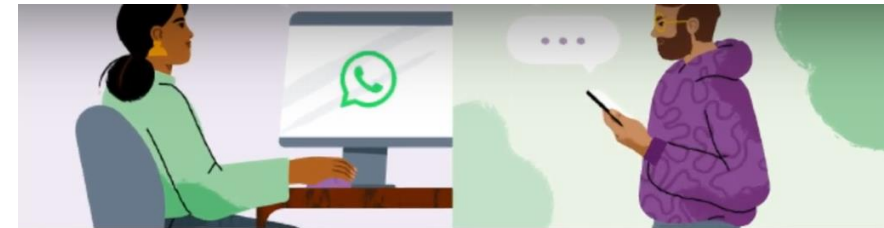

5 4 7

[Resend code](#)

[Meta Hosting Terms for Cloud API](#) [Back](#) [Next](#)

## Step 5:-

Verification is successful. Click on "Done".

## You're now ready to chat with people on WhatsApp

We'll review your business to ensure it complies with WhatsApp's [Commerce Policy](#) and reach out within 24 hours if there's an issue.

## You can immediately get started with

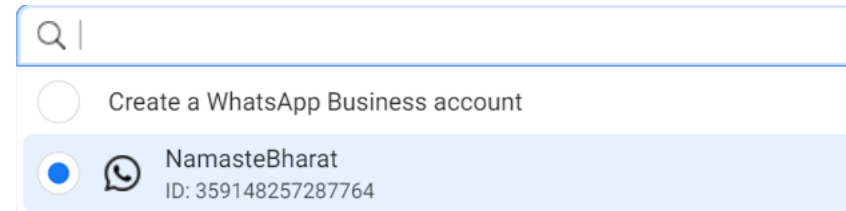

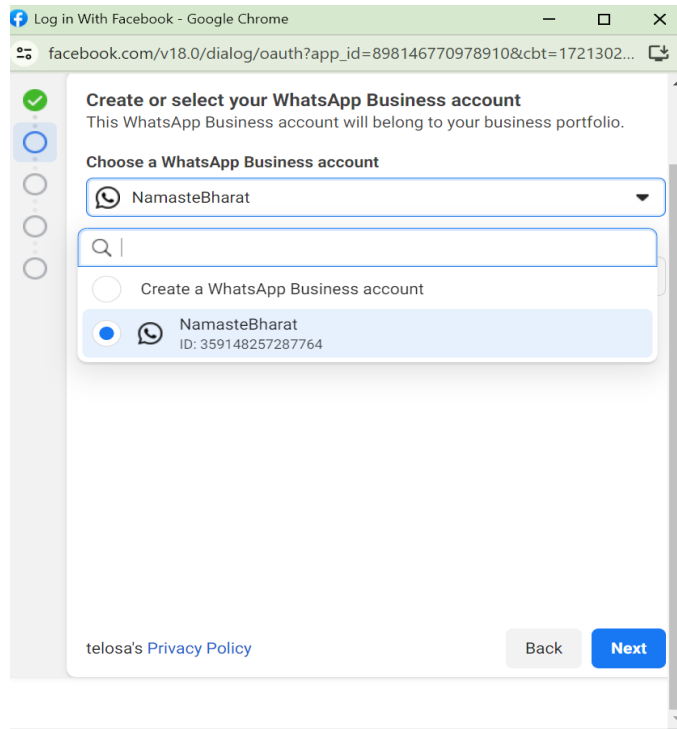

-  250 business-initiated conversations  
Per phone number in a rolling 24-hour period
-  Unlimited customer-initiated conversations
-  Up to 2 phone numbers
